...that tired old lie, "Once an addict, always an addict," will no longer be tolerated by either society or the addict. We do recover.

"We meet addicts like ourselves who are clean. We watch, listen and realize that they have found a way to live life without drugs."

NA is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There are no fees to attend any NA meeting. There is only one requirement for membership, the desire to stop using. We suggest that you keep an open mind and give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work.
