CVACNA XXX DEDICATION

“We came to our first NA meeting in defeat and didn't know what to expect. After sitting in a meeting or several meetings, we began to feel that people cared and were willing to help. Although our minds told us that we would never make it, the people in the fellowship gave us hope by insisting we could recover. Surrounded by fellow addicts, we realized that we were not alone anymore. Recovery is what happens in our meetings...”
